Fair Play Code

The Victorian Government has updated its **Sport Code of Conduct** with a new **Fair Play Code** that will come into effect from the 1st July 2018.

To be eligible for future State Grants, clubs will need to demonstrate adherence to the new **Fair Play Code**.

Regional Sports Assemblies across Victoria have agreed to provide support for clubs to undertake the reviews for \$1500 (+GST), including the Mallee Sports Assembly.

Should you wish to apply for a grant to engage the Mallee Sports Assembly to work with your club on a one-to-one basis – here is the link
