Kelsey Allen – Sunraysia Dirt Karters

Kelsey has been racing Speedway Karts since she was 7 years old. Now 19 years old, she has now raced several other speedway divisions, and whilst still racing a speedway kart is also making her mark in another senior division called “AMCA”. As with all speedway racing, the AMCA class is dominated with men, and quite often Kelsey will be the only lady racer at an event. Recently finishing 4th at the Victorian title in Moama after a once in a life time drive – she came from 11th position and only missed 3rd by .013 of a second – she now has the respect of the other AMCA drivers. Having competed in a male dominated sport since a very young age, Kelsey has worked hard to be accepted, and is now developing quite a following and fan base. She has become a role model for young girls in Speedway, and will always find time for a quick chat when a young girl appears.
