

## **NATIONAL VOLUNTEER WEEK**

### **Daniel Holy - Nichols Point Cricket Club**

To put it simply, Nichols Point Cricket Club owes a great debt to Daniel Holy for the work he has done with the juniors over the past five years. He has lead from the front in recruiting and coaching our junior teams.

When Daniel arrived at the Nichols Point Cricket Club they had less than 10 juniors. Currently they now have over one hundred juniors, this includes around fifteen junior girls.

Daniel is also the Vice President of our club who helps oversee all the programs within the club including recruiting for the men's and women's teams and successfully promotes the club on social media.
