

NATIONAL VOLUNTEER WEEK

Dan Holy - Nichols Point Soccer Club

Dan Holy has been an instrumental figure for the Nichols Point Soccer Club junior program for the last 4 years. He volunteers his time directly with coaching everything from the Under 8 through to the Under 13 Girls. Dan is diligently with the kids every Sunday guiding them through their soccer games, encouraging them at every turn. The positive reinforcement Dan gives these kids is incredible to watch.

Off the pitch, Dan plans, encourages, manages multiple teams and programs, puts his hand up to coach teams for the State competitions, advises and guides other coaches, manages social media to encourage and acknowledge the fantastic efforts of his players. Dan never turns anyone away who needs advice or information regarding soccer.

He has worked tirelessly to encourage continual growth within our junior ranks, with the Nichols Point Soccer Club junior teams increasing 60% in numbers from 2018 to 2019, largely due to Dan providing opportunities to expose more juniors to the sport. What is equally impressive is that Dan commits so much to the Nichols Point Soccer Club in the Winter season, but then repeats it all again during the Summer season with the Nichols Point Cricket Club.

The number of hours Dan volunteers for both these clubs is incredible and at no stage does he ever want anything in return, his only motivation seems to be to make sure our kids have the best experience possible in whatever they chose to do. Dan is a very rare and extraordinary volunteer who deserves to be acknowledged for his incredible work.
