Ollie Szeto - Nichols Point Soccer Club

Ollie Szeto has been involved with the Nichols Point Soccer Club for over 6 years. Not only has he coached every team from Under 6's through to the Under 16's, most years coaching at least two or three teams each season.

Every time there is a hole within the club to be filled, Ollie is the first person to put his hand up. He has been on the committee every year, either being the Secretary or Vice President plus helping out with every role.

Ollie coordinates the annual School Holiday program every Easter holidays which invites all kids to spend two days at a soccer clinic, learning about the game. This is open to all kids, not just the kids involved with the Nichols Point Soccer Club.

Ollie even brings out his decks and DJ's for our junior disco social night, giving the kids some great tunes to dance to. He also dedicates his time to coaching kids for the representative squads, which means travelling away at his own expense to allow the kids to experience state level competitions.

Without the tirelessness of Ollie's commitment, I doubt the Nichols Point Soccer Club would be half the success it is today.
