

NATIONAL VOLUNTEER WEEK
Marquis Mumm
Sunraysia Taekwondo

Sunraysia Taekwondo has nominated their IT extraordinaire and club organiser Marquis Munn for recognition during National Volunteer Week. Marquis volunteers endlessly not only to our local club but also to national events held by the CHITF (Chan Hun International Taekwondo Federation).

Marquis has spent hours organising and setting up our IT systems for the club which included an attendance scanning system which is essential part of assessing grading requirements. He is always there long before others to ensure that the Dojang (formal training hall) is set up for the Grand Master Robert Lai for grading.

In March of this year Marquis volunteered at the CHITF World Championships to help in the medal presentation over the two day event.
