

NATIONAL VOLUNTEER WEEK

Ian Harvey – Wycheproof-Narraport Football Club

Wycheproof-Narraport Football Club wishes to acknowledge our very loyal club volunteer Mr Ian Harvey for recognition for his commitment and dedication to the Wycheproof-Narraport Football Club and country football in general.

Ian has done the following:

- 50 years of committed service to the club-most of those years he has been either Treasurer (still holds this position) or Secretary
- Could have been awarded “Best Club Person” each year (but wasn’t, due to sharing the award around)
- Has been awarded a VCFL volunteer award
- Has run the bar for 50 years (and still doing it)
- Arranges Thursday night teas-for 50 years (and still doing it)
- Has everything set up, including lighting the fire in the club rooms for each training night/functions/game days etc (and still doing it)
- Organizes the gate roster on home games (and still doing it)
- Developed and updates the Wycheproof-Narraport Demons website (and still doing it)

The list goes on....and on...and on. There would many other duties that “Harve” has done but that will give you an idea of his contribution to the club.

He does all this in a very quiet, humble manner and never expects any accolades for his work and dedication to the club. He truly deserves high recognition for his continuous commitment to country sport, in particular football. It is people like Ian that has been responsible for the sustainability of this nation’s AFL football within our region.
