

Basketball Victoria Visits Birchip and Wycheproof Schools

Mallee Sports Assembly Wycheproof office contacted Tim Downes of Basketball Victoria to conduct skills sessions for the students of the Birchip and Wycheproof schools. Tim was most happy to oblige. Tim was already involved in the Active Youth Year 9 program in Birchip on Wednesday 10th February 2016 so it was decided to make the most of his visit from Melbourne and have him conduct other sessions for more students.

Tim worked with the Grade 5/6 students of Birchip P-12 School in the morning before travelling to Wycheproof P-12 College in the afternoon to conduct a session for the Year 9/10 students. The sessions included ball handling, dribbling, and goal shooting including lay-ups. Tim kept the sessions fun and interactive. Some of the students demonstrated great skill and have the potential to go a lot further with the sport of basketball.

On behalf of the Birchip P-12 School and the Wycheproof P-12 College, Mallee Sports Assembly thanked Tim for his time, expertise and support to country sport.
